

AREA GUIDE

WHERE LIFE FLOWS

Dubai Islands unveils a visionary new chapter in **waterfront living**, where contemporary design meets **Arabian splendour**. Comprising **five interconnected islands**, this extraordinary destination seamlessly blends **luxurious resorts, pristine beaches, and vibrant cultural landmarks** into one inspiring coastal community.

FUTURE MARINA & WATERFRONT EXPANSION

Redefining Dubai's horizon, the development features **over 60 kilometres of waterfront** and **more than 20 kilometres of beaches**, including a Blue Flag-certified shoreline, along with **two kilometres of parks, open spaces, and world-class golf courses** overlooking the Arabian Gulf.

Multiple new marinas and expanded public waterfronts are planned to increase lifestyle appeal and enhance property value across all five islands.

An aerial photograph of a large, artificial island in Dubai, United Arab Emirates. The island is densely packed with greenery, including palm trees and other tropical vegetation. A prominent feature is a golf course with several green fairways and sand traps. Residential areas with numerous small, modern houses are interspersed throughout the island. The island is surrounded by deep blue water, and a long, narrow causeway or bridge extends from the mainland to the island. In the top right corner, the text "Object 1" is visible.
